

Alaska State Board of Education & Early Development

CTE Program Recognition

nomination form for programs that excel in

Work-Based Learning* or *Student Engagement

The Alaska State Board of Education & Early Development is seeking nominations for recognition in the areas of Quality Work-Based Learning and/or Supporting Student Engagement. This recognition program highlights the outstanding achievements of Career and Technical Education (CTE) programs around the state that exemplify the ideal qualities of CTE. Recipients of this recognition embody exceptional practices and have contributed to the success of CTE through the quality of their programs and their involvement in the CTE community.
